Schultz was wondering what could be done with the condition of 460th St, it is rough and has large divets in the road. The Board said that they would take a look at it and anything to be done with the road, would need to be discussed with Edna Township and both would have to give permission to work together on any work to be done.

A letter of resignation was received from Supervisor Ryan Bruhn, with a recommendation to appoint Larry Hoffmann as his replacement. After much discussion, Sonnenberg made a motion to appoint Hoffmann as supervisor to replace Bruhn. This appointment would be valid until March 2023 at which time, this position would have to be placed on the ballot to elect someone to fulfill the remaining one-year term. Hockett second. All in favor. Motion Carried.

Eischens explained that Berstler is interested in taking over as Clerk when she resigns October 1, 2022 but will be available to train him and help with the elections over the next couple of months.
