Bruce Albright, representing the City of Vergas, presented a proposal to the Board designating the Town Line Road as a non-truck route. Trying to keep truck traffic off Town Line Road and Scharf Ave. Large trucks, primarily gravel trucks, are using this route to avoid town, but are causing damage to Scharf Ave because the road is not built to handle heavy traffic. The City would like to post a sign along Town Line Road near Brown's driveway heading North, stating no trucks. There would be exemptions for service trucks and farm trucks. After much discussion, Sonnenberg made a motion to allow the No Trucks Sign to be placed North of Brown's driveway as you are headed north for a period of one year to see if it does detour truck traffic, at which time, the situation is evaluated, Hockett second. All in favor. Motion Carried.

Bucholz stated that he was just there to address any concerns of the Township that he may be able to address at the County level. He stated that he likes to visit each of the Townships within his District, staying in contact with them.

There is a/ special EMS meeting on 8/11, Joint Powers Semi Annual Meeting 8/22 and the District 9 Meeting 8/15.
